2019

NEW STUDENT INFORMATION
JANUARY 6

GREETINGS

TO NEW STUDENTS AND FAMILIES

Welcome to Methodist University! This brochure outlines important information new students need to know to have a smooth transition into Methodist University.

ON-CAMPUS HOUSING

By now, you should have received your housing assignment and details about housing from the Housing and Residence Life Office. If you have not received your assignment e-mail, please contact the Housing and Residence Life Office at 910.630.7626.

OFFICE OF STUDENT ACCOUNTS

It is to the student's benefit to settle his or her account with the Office of Student Accounts before coming to campus in January. Payment arrangements must be made by December 1, 2018. Payment plans can be established online through Nelnet. For questions contact Student Accounts. Credit card payments can only be made online through the myMU Student portal. Residential students who have settled their accounts with the Office of Student Accounts prior to Sunday, January 6, 2019, should have their Student ID card made in the Campus Services Building before proceeding to their assigned residence halls.

IMMUNIZATIONS

North Carolina law requires that students receive the following immunizations: three tetanus (DTP or DT), one tetanus booster (within last 10 years), two measles (MMR or MR), one rubella (MMR or MR), and three Hepatitis B (any student born after July 1, 1994). Failure to submit a complete immunization record can result in dismissal from the university. Students who have not sent their immunization record to the Student Health Center should do so immediately. Additional immunizations may be required depending on the student's degree program. Call 910.630.7652 or e-mail dkuch@methodist.edu if you have questions.

COMPUTER SERVICES

The CAC Lab in the Trustees Classroom Building, room 264, will be open for use by students. Students should have received an e-mail account and network user name and

password in a letter from the Admissions Office. If you have not received your e-mail/network account information or have misplaced your information to log into your e-mail, please contact the CAC Lab attendant at 910.630.7300 or e-mail help@methodist.edu. Please have the following information available to receive assistance with your e-mail account: student ID number and full name. If you need assistance with myMU Portal, you can call 910.630.7300 or email portalhelp@methodist.edu. Also, please take a look at the Computer Services website for additional information at www.methodist.edu/computer-services

COURSE SCHEDULING

Check your Methodist University e-mail frequently for messages from your Temporary Advisor about your Spring 2019 class schedule. Advisor assignments will continue until the start of the Spring 2019 semester. You will transition to your Major Advisor during the first week of Spring classes.

ENGLISH PLACEMENT TEST FOR TRANSFER STUDENTS

All transfer students who have taken any English composition courses at another institution(s) and are transferring that credit to Methodist University must take the English Placement Test. The English Placement Test score will determine if any English composition review course is mandatory for a transfer student at Methodist University.

FOOD SERVICE

Food service will begin with dinner on Sunday, January 6 in the Green and Gold Cafe. Regular food service hours for the Cafe and the Lion's Den will begin Monday, January 7. Parents and guests are welcome to dine with us for \$6.25 + tax per person per meal. Residential meal plans begin at dinner on January 6. Commuting students are encouraged to take advantage of the meals offered in the Green and Gold Cafe. Information about meal plan options for commuting students will be available in the Green and Gold Cafe. The flexibility and low cost of various meal plans makes Aramark a convenient option for commuters as well as residential students.

FINANCIAL AID

Methodist University understands that financial matters are a primary concern to students and their families. You

are highly encouraged to have federal financial aid forms completed before you arrive in January.

PARKING

Parking for parents and residential students with vehicles is available in front of each residence hall, in the lot behind Pearce and West Residence Halls, and between the Berns Student Center and the March F. Riddle Center. Parking is not permitted in the fire lanes in front of the residence halls. Parking for commuter students is available in the lots near the Trustees Building and Reeves Auditorium and between the Berns Student Center and the March F. Riddle Center.

All commuter students and residential students with vehicles are required to have their vehicles registered with the Public Safety Office no later than Monday, January 14. Parking permits may be purchased online (using a debit or credit card) through your myMU portal before arrival (go to Student Life tab, Vehicle Registration Form). Each student is required to register their vehicle on the myMU portal even if you plan to pay in person at the Office of Student Accounts. You will have the opportunity to pick up a parking permit Sunday, January 6, from 9 a.m. to 3 p.m. and Monday, January 7, from 8 a.m. to 5 p.m. in the Campus Services Building. Permits cost \$100.00 for the spring semester and may be paid by cash, check, money order, credit or debit card at the Office of Student Accounts.

POST OFFICE BOX

The Methodist University Post Office in the Berns Student Center will be open on Monday, January 7, from 8 a.m. to 5 p.m., and students will need to go by this office to receive their campus mailbox.

LODGING FOR PARENTS

On-campus accommodations are not available for parents and relatives. A list of area hotels is provided in this brochure.

DEPARTURE FOR PARENTS AND RELATIVES

Leaving a son or daughter is a difficult and emotional experience. Methodist University recognizes that this is a difficult time and is sensitive to all issues surrounding separation. We encourage parents and relatives to leave the campus after dinner Monday, January 7, so the students may begin the transition into university life.
