**Statement of Certification**

---

I have received and read the guidelines for TE exchange. I understand that I am not guaranteed a TE scholarship but only the right to apply for the scholarship. However, if I receive TE, I understand it is for one academic year only and I must reapply for TE for each academic year to be considered. It is also my responsibility to inform the TE Liaison Officer at MU if my son/daughter withdrawals or does not return to the TE college/university within an academic year.
